

Employer Newsletter

Welcome

Welcome to our bi-monthly RNN Group E-Newsletter. This newsletter aims to ensure we communicate key information that is happening within the Group to employers and local partners so that you are up to date with all our latest news and activities.

As you will know, RNN Group works in partnership with schools, employers and local organisations to continually ensure we are leading and delivering on innovation and skills in our communities. It includes five campuses of career-focused further and higher education in South Yorkshire and North Nottinghamshire alongside our partner organisation, the National Fluid Power Centre. We educate school leavers, undergraduates, employees and those re-joining the workforce with a focus on ensuring learners leave equipped with the necessary skills to join or re-join the workforce.

Our focus is on skills development – T Levels, Apprenticeships, HTQs and others – to ensure we support the LSIPs, employers and the needs of our local economy to ensure a better and more prosperous future for our communities.

RNN Group Employer Award Lunches: 2025

Last year we launched a monthly award to formally recognise our amazing employers and how much they align to the four values of the RNN Group.

December's award went to Bolehill Nursery who were awarded this for "We have Integrity" as a popular nursery both for parents and workers. January's award went to Stag Medical. February was Rotherham Hospice and Bridon Bekaert won March's. All our winners were invited to a special lunch at the Wharncliffe to receive their certificate in person from Jason Austin, RNN Group's CEO and Principal.
